**Live. Life. Together.**

# Welcome

to *The Great Pursuit*. Our Lord wants to reveal Himself to you. To you! The creator of the universe, the Holy, All powerful, infinitely gracious Lord and Savior, the one that knows everything about you, would like **you** to get to know **Him**.

As you follow this plan and make your way from Genesis to Revelation over the next two years, expect to discover God. Expect to be changed.

## How to Use This Reading Guide

### Readable Bible.

Choose a Bible that engages you and is easy to use. Choose a Bible that has a Topical Index and a Dictionary/ Concordance. May we suggest the Life Application Study Bible? May we suggest the New Living Translation or the New International Version? For those of you who don't like to read check out the Bible on CD!

### Every Day Experience

Make your time with the Lord a daily experience. Here are a couple of things that will help you do that: 1) Choose a 20 minute time slot at the same time each day. Make sure the time you choose is a time when there will be no other distractions. 2) Pick a place that is comfortable and quiet. You will want to make it a pleasant and relaxing environment.

### Attitude is the Key

Start with prayer. Ask God to meet you, teach you and open your heart to what He wants to show you. Without this approach Bible reading can become nothing more than an academic exercise. Talk to Him while you read and ask Him to personalize His word to your circumstances. Pray as you close and ask God to bury His word in your heart so that it will come to mind when you need His help and guidance.

### Do the Word

"Moving toward life application is the most important part of your reading. Just having information about what is in the Bible is not enough (even Satan knew enough of the Bible to be able to quote it-Matthew 4:1-11). Understanding the context or the concepts is not enough. Even being able to see that it is relevant to today's world is not enough. For the Bible to really make a difference in our lives, we need to 1) receive the message personally, 2) reflect on our lives and identify what needs to change as a result of God's Word, and 3) lay out a plan to make that change." *Pg. 2215 Life Application Bible* We suggest using the **Read, Reflect, Respond** and **Remember** approach..

**Read**

Follow the daily reading guide, if you miss a day, use Sunday as your make-up day. Read the entire section and concentrate on the key verse or section. As you read ask what happened and what was taught.

**Reflect**

How is my life touched by today's reading of the Word, What does it mean, What was the one principle or lesson God is revealing to me?

**Respond**

In what way am I being invited to respond to the message? How should this principle impact my life?

**Remember**

How can I remember it? Pray that you will be enabled to take action.

**I**nclude others in your journey.

Don't attempt to do this on your own. Whether in a *life*Group, with a few other friends, or with your spouse or family, spend some time talking about what you are discovering. Ask questions of others. The Bible should come with this warning: Warning! Do not read this alone!

**N**ever lose sight of Jesus.

Remember as you read the Bible that Jesus is the center. Everything you read will direct you to Him, whether you are reading some passage from the Old Testament or in the New. The Good News is that God loves you. This book is God's love letter to you!

**G**od's richest blessings on your growth!
